

MATERIAL SAFETY DATA SHEET

SECTION I: Product/Company Information

Identity: Shammy Bright™ Porcelain Polishing Paste
Distributor: AXIS Dental Corporation
Address: 3008 West Story Road, Irving, Texas 75038
Telephone: 1-800-355-5063

SECTION II: Material Identification

Formula: Dental
ID#: CPW127
Product: Lapping compound water soluble
Trade name and synonyms: Dental
CAS name: Kemstrene, gel, diamond
CAS number: 56-81-5: None 77282-40-3
Shipping procedures: Observe all plant, company, and government regulations

SECTION III: Physical Data

Water soluble: Yes
Appearance: Paste
Odor: Mild
Color: Gray

SECTION IV: Fire and Explosion Data

Flash point: N/A
Fire and Explosion Hazards: None known
Special fire fighting procedures: Wear self contained breathing apparatus and protective clothing
Extinguishing media: None

SECTION V: Hazardous Reactivity Data

Stable: Yes
Polymerization: Will not occur
Decomposition products: Carbon monoxide, carbon dioxide, acrolein
Incompatibilities: Strong oxidizing agents

SECTION VI: Health Hazard Data

Carcinogen: No

Exposure limits: None established

Safety precautions: Prevent skin and eye contact. Wash thoroughly after handling.

Storage conditions: Store at room temperature, +/- 10°, with adequate ventilation.

Keep container closed until ready to use.

First Aid: Acute exposure: None established; Chronic exposure: None established; Eyes: Wash out eyes for a minimum of 15 minutes; Skin: Wash affected area with soap and water; Ingestion: Seek medical attention immediately

Inhalation: Remove to fresh air.

Control measures and precautions: Adequate ventilation

Personal protection equipment: Goggles, rubber gloves

Disposal Information: Spill, leak or release measures: Dispose of immediately, wear appropriate protective equipment. Disposals should comply with all federal, state and local laws. The data in this material safety data sheet relates only to the specific material designated herein and does not relate to use in combinations with any other material or process.

SARA 313: If any components in this product are SARA 313 listed as reportable, they are shown below. The quantities listed for elements represent typical or average values for compounds containing these elements.
